THURSDAY, 12.02.2015

The first activity, which consists on a PowerPoint presentation called: Maramureş Land, took place at Babes-Bolyai University. All the geographical aspects of the historical Maramureş were debated in this seminar. Afterwards, the team went to the Ethnographic Museum of Sighet and had a guided tour the culture of Maramureş through all the traditional exhibits there. After the lunch time, the students worked on their projects on the topics received from their teachers, back at the high school until the evening. They searched for different materials and put together the information found on the presentation. It wasn't an easy job for them, but they also had the opportunity to interact and get to know each other better, so that they can keep in touch for the future meetings.
